AM - at home

- tilled up the soil around the marigolds out front and around the sweet basil & sweet pea & then went down to the Tinker Creek & got two 5-gallon pails of water & watered them. Fussed around the gourds & pole bean & had a good look at the sunflowers, about 12 of which are in blossom and doing beautifully. Has a tea + 5HP French bread and yogurt & buckwheat honey; sat in the back Eekdale window and enjoyed the breeze & the air & the sounds and smells of the very beautiful July morning. Alvin & Co. are energetically "making hay" while the sun is shining.

Donna & I will visit Alice & Norman Lund at about 7 P.M. tonight & put in final form all plans for the 1985 Clinton Center Pioneer Day / Grierson Reunion.

Went "into town" in the early afternoon and did a great many errands -

- bought ticket to Rev. Stargen dinner on Saturday from Sun Funan at the Red Cross - \$10.00
- called RGT & dropped off the Summary history of the LVR trust & recently typed in justified copy for him; took him to proof read & correct the copy
- went to CPL and called Micrographics & arranged to have the CPL reader/printer for microfilm serviced; PH... 1985 will be dropped off at the CPL at the same time; had a pleasant conversation with Ruth (head of production at Micrographics) and she told me about
